

THE COUNTY OF CUMBRIA (VARIOUS ROADS, SOUTH LAKELAND AREA)
(CONSOLIDATION OF TRAFFIC REGULATIONS) (ORDER 2002)
(ULVERSTON – NO. 3) VARIATION ORDER 20

STATEMENT OF REASONS

Tesco Stores Limited has requested that provision for a Loading Only bay is made on Market Place in Ulverston for their new store.

Cumbria County Council considers that it is expedient to propose to make the above Order, which will amend the existing Traffic Regulation Order to make a dual-use bay, allowing provision for Loading Only and Hackney Carriages/Taxis Only, except on Market days (as currently), as it will improve the amenities of the area.

The proposals for the dual-use bay are as follows: -

- (a) Loading Only - 6.00 am to 10.00 am; and
- (b) Hackney Carriages/Taxis Only – 10.00 am to midnight, and midnight to 6.00 am.

Note: A previous Traffic Regulation Order made operative on 1 June 2009 imposed a 24 hour Taxi only bay and, whilst this Order was brought into force “on paper”, it was never implemented “on the ground” as Tesco’s request to look at a loading bay was received at the same time. This proposed Order will amend that “on paper” restriction.
